

## Your Curbside Recycling Program

Inland Service Corporation is proud to be the new service provider for the Rogers, Arkansas curbside recycling program. Our goal is to improve an already dynamic and successful program by diverting more material from landfill disposal. We intend to achieve this goal with little to no inconvenience to you – our customers.

Materials for recycling collection must be placed at the curb no later than 7:00 AM of your scheduled collection day. The materials must contain no unauthorized material and all material must be prepared in accordance with the information provided herein.

### Acceptable Items:

Paper

Paper Items, including White Paper, Magazines, School Papers, Paper Bags and Newspaper (Newspaper must be either stacked inside your container, placed in a paper bag beside your container or stacked and bundled beside your container)

Aluminum

Aluminum Cans – All cans must be rinsed prior to placing into your recycling bin. Please, no aluminum foil, pie plates, cake tins, etc.

Cardboard

Cardboard boxes should be flattened/broken down and stacked neatly beside your container. *Please no pizza boxes or other material that has been exposed to food or grease.* Paperboard such as cereal boxes, shoe boxes, etc. is to be placed in the container(s) along with other paper.

Steel

Steel and or “tin” cans will be accepted provided they are thoroughly washed.

Plastics

Plastic milk jugs and plastic soda type bottles will be accepted for collection as recycling provided that they are thoroughly rinsed. To verify if a container is recyclable look at the bottom for the triangular recyclable symbol. If the number inside the triangle is a 1, 2 or 3 then the container may be recycled. Although it is not required, smashing plastic containers is appreciated.

Glass is not recycled. Please place all glass in your garbage cart.
